

KID'S MENU

This menu is for children under 8 years old

IMPORTANT DIETARY INFORMATION

Ingredients & Allergen information We do occasionally have to substitute products and amend our recipes so you must advise us of any allergies / dietary requirements on every visit. We do use most, if not all allergens in our kitchens and we also cook different foods in the same equipment. Allergen information is available on all intentional ingredients, please ask your server for our allergens table. Should you require more information on any may contains or potential cross-contact, then please ask your server at the time of ordering.

Vegan / Vegetarian Some of our vegan / vegetarian items may be cooked in the same equipment / fried in the same oil as meat and fish products. Please ask your server for information on any specific dishes and we will be able to advise to enable an informed choice. Our vegan dishes may pose a potential risk of cross-contamination as these may be prepared using shared equipment and therefore not suitable for customers with dairy allergies or other strict dietary requirements

NGCI Our NGCI dishes consist of non-gluten containing ingredients only. Where there is an option to swap a bun to a non-gluten bun, please note this does not necessarily mean the whole dish is gluten free and therefore please ask your server to check the other ingredients.

Other notes Our meat & fish dishes may contain bones
