STACK EM UP! Breakfast breaks world record

Don't miss out!

Stacked to perfection!
Dean

The Breakfast Stacker at Frankie & Benny's towered over locals in an attempt to break a world record.

Coming in at 200 metres tall and hand stacked by chefs from the local area with the help of cranes, the attempt took over 24 hours and the tasty tower has been declared the tallest ever by the world record officials. They were seen presenting the award for tallest edible tower followed by celebratory Breakfast Stackers for chefs and everyone in the crowd.

What a great start to the day!
