Exclusive!

The REAL reason there's always space for dessert

Wild rumours have been circulating for years and we think it's finally time to put them to bed with some hard facts. Despite what scientists might say, we can exclusively confirm that there is in fact a separate stomach for dessert.

More space for dessert - you heard it here first! So, you can now enjoy a Shake or one of Frankie's Classic Desserts knowing that your extra stomach has got plenty of room. You can thank us later.
