

CERTIFICATE OF CARBON CREDIT RETIREMENT

This certificate issued on August 21th 2025, represents the retirement of 3,195 tCO₂e to compensate for the emissions associated with

Glasgow Airport Limited

This certificate is proof that the carbon credits have been retired and taken out of circulation.

Carbon emissions are abated through the purchase of credits from carbon reduction or removal projects. The selected project is certified through the internationally recognized Gold Standard Registry.

Glasgow Airport Limited supported the Bursa-Hamitler Landfill Gas Collection and Energy Utilization Project, contributing to local economic, social, and environmental sustainability.

A handwritten signature in blue ink, appearing to read 'Kevin McGeeney', is written over a faint, wavy background pattern.

Kevin McGeeney - Director of Sustainability & CEO
