 Vegan dishes

Gluten-free means do not contain gluten as an ingredient. However we do not have a dedicated preparation or cooking area for vegetarian, vegan and gluten free food.\*All weights are approximate before cooking. 1oz = 28g uncooked weight. Adults need around 2000 kcal a day. The calorie information for our menu is calculated from recipes, however, as all our dishes are prepared by hand, some variation may occur. Guidance permits a +/-20% variance on published calorie values. For the latest calorie information please visit our website. Allergies: we follow strict hygiene practices in our kitchens, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. Speak to a member of staff if you have any food allergies or intolerance. Full allergen information relating to our menu items can be found at [www.restaurantallergens.com/frankies](http://www.restaurantallergens.com/frankies). Service charge is at your discretion, however an optional 10% will be added to the bill for parties of ten or more people, which will be passed directly to your server. Please check with your server as due to differing licensing laws, we may be unable to serve alcoholic drinks at all times/locations. As a result of the changes to VAT in restaurants and pubs, our menu includes items with a range of VAT rates. Not all ingredients are listed in descriptions.
